

20th of December 2011

Dear member,

At our recent EGM on subscriptions and membership fees changes were debated and agreed on how the club collects weekly and annual subscriptions.

It was agreed that from the 1st of January 2012;

1. Subscriptions will no longer be collected weekly from members.
2. Annual membership fees will include a percentage of subs.
3. Membership fees can be paid monthly, quarterly or annually.
4. All County championship fees will be included in membership.
5. County Juvenile League fees will be included in membership
6. Athletics Ireland registration and insurance is included in membership.

These new membership rates are on average 18% cheaper than 2011 when weekly subs of €3 or €5 are included. The following are the new membership rates for Celbridge Athletic Club and included are all insurance fees, operating costs and financial commitments for 2012.

	2012 fees*	2011 fees inc subs	Saving on 2011	
One child (u18)	€200 per year	€244	€44	18%
Two children (u18)	€350 per year	€415	€65	16%
Family (3 or more children)	€400 per year	€460	€60	13%
Junior(u20)/Senior member	€150 per year	€194	€44	22%

**Payable, monthly, quarterly or annually by standing order to suit your budget.*

The benefits of the new fee structure are:

- No need to pay weekly subscription at training.
- Overall cheaper annual membership.
- Flexible payment options to suit you.
- All-inclusive membership fee.

In the New Year the 2012 Celbridge AC membership form will be distributed to you.

If any member wishes to discuss an alternative payment arrangement please contact our treasurer, Tracy Minnock 083 3265877, who will be happy deal with your request in the strictest confidence.

If you have any queries or questions you can also contact me directly on 086 2450134 or by email at kieron@sasta.ie.

I would like to wish you and your family a Merry Christmas and a Happy New Year.
We look forward to the Olympic year of 2012 and all that it brings.

Yours in sport

Kieron Stout
Chairman
Celbridge Athletic Club
